Dear Sir/Madam

I write to you on behalf of the Wimbledon FC Supporters Club (MK) to seek confirmation of InterMK's statement regarding the naming of Wimbledon FC in the 2004/2005 fixture listing. For your reference the statement read (in part) ***"InterMK are pleased to announce that The Football League have granted permission for Wimbledon FC to change its name to Milton Keynes Dons FC in time for the publication this week of the 2004/05 fixture list."***

Our questions are:

- Is this statement accurate?
- If this statement is accurate as Wimbledon FC are still in Administration how can a company that does not own the club be allowed to change the clubs name?
- If the name had not been changed would the Football League have allowed the club to start the new season as Wimbledon FC? If not why not?
- Was there pressure on InterMK from the Football League to include Milton Keynes in any name chosen?
- Would the Football League have allowed InterMK to include the name Wimbledon in full in any name chosen?

I ask these questions as our members are extremely upset by this turn of events. We wish to establish the full facts of the matter from all parties involved, as I'm sure that you will agree that if true, which all indications seem to confirm, then this is an extraordinary precedent that has been set by the Football League.

I look forward to your prompt response,

Yours sincerely

John Brockwell  
General Secretary
