Re: Wimbledon FC's Trophies

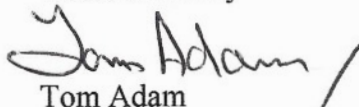

Dear John Brockwell

Further to your letter on the above, I must apologise for the delay in responding but I am sure you will agree, in view of the sensitivity, it has been necessary to discuss your suggestion with fellow Dons Trust Board members.

Whilst we appreciate your concern to ensure that the Dons Trust has an input as to the future location of Wimbledon FC's trophies, I can assure you that we are fully aware and supportive of the WISA work being pursued on this important issue and therefore see no reason to duplicate their work.

We have therefore passed your request to Simon Wheeler, Chair WISA to further progress your request.

Yours sincerely

Tom Adam
Chair Dons Trust
